The Preliminary Budget for the year 2012 was reviewed. Walworth moved to approve the Budget for the Year 2012, second by Larson. Motion carried unanimously. Nunberg reported on the North Dakota League of Cities convention held in Fargo September 22-24th. Lautenschlager asked to be excused from the City Council so he could have the opportunity to present information as General Manager of Beach Co-op Grain Company. Mayor Losinski approved the request. Lautenschlager explained on September 19th Beach Co-op Grain Company submitted an Application for Building a new structure to store fracking sand, fertilizer and equipment. The area where the new structure would be located is zoned for agricultural use. Due to fracking sand not being an agricultural product the application was deferred to the Zoning Board for consideration of a Conditional Use Permit. The Zoning Board will meet on October 10th at 8am to consider the request and make a recommendation for the City Council to consider at the October 17th meeting. Due to time constraints, Lautenschlager requested the City Council approve the Application for Building to be approved for agricultural use only at this time.

Discussion. Benes moved to approve the building permit for agriculture use and in order to store fracking sand Beach Co-op Grain Company would need to comply with the conditions set forth by the Zoning Board as approved by City Council, second by Bingeman. Lautenschlager acknowledged Beach Co-op Grain Company would comply with condition set by the Zoning Board as approved by City Council if they pursued with storage of fracking sand. Lautenschlager abstained from voting. Motion carried unanimously.
