ON

OFF

24 hours advance notice is required for this services! (Hint: if turn on or off service is requested on a Friday, nothing will happen until Monday)

Initial

Date

By signing below, I'm signifying that I was informed of the turn on fee. Also, if the meter stays in place I am responsible that the heat stays at the suggested minimum of 50 degrees so that the meter does not freeze and break resulting in me paying to replace that meter.
